

Villa Ermioni

Villa Ermioni is perched at the top of the Mykonos private 10-Villa estate and enjoys a bird's eye view of the islands of Delos (where it is alleged Apollo was born) and Rhenea, a majestic drop to the sea and the picture-perfect Mykonos sunset.

There are sunny&shady (alldaylong) areas in front of the 75m2 infinity pool that flows off into the Aegean horizon-and you are still less than a three-minute walk to the sea (still within the estate). The BBQ is conveniently situated near the pool and the dining table, so noone misses out on all the fun.
